1. FSN WAGE SCALE.  C/PMCD, called to say that   D/Pers, has received a memo from OGC authorizing O/P to go ahead with implementation of the FBIS FSN wage scales. OGC indicates it has still not received an answer to its query to the Office of Personnel Management, but it takes the position that we can implement the scale now and adjustments can be made later if OPM requires it. In the meantime,  PMCD, who is on leave this week, will contact FBIS next week to implement the new scales. (cc: C/Ops, C/AS, C/P&TB, C/E&PS, C/B&F) (U/AIUO)
